

27th Annual International Harvester Western Regionals

Calico, California ● April 19th - 21st, 2024 ● Hosted by Scouts West

We had a successful IHWR in 2023 and it was one of our biggest and most attended events ever. We host this event as a not-for-profit organization to raise funds for our choice charity each year. Last year we raised a record amount for Royal Kids Camp as our charity.

Since 1996, International Harvester (IH) enthusiasts have gathered together in April to catch up with friends & share their love of these old vehicles. Scouts West hosts the International Harvester Western Regionals (IHWR) just outside of Barstow, near Calico Ghost Town. We gather from across the country to spend a few days camping & honoring some of the finest trucks ever made. Some come to rekindle old friendships & others come just for the fun that can only be experienced the Scouts West way.

IHWR is held north of Barstow, California at the Barstow KOA Campground. For reservations call 1.800.562.0059. Be sure to mention Scouts West or IHWR so your space/spot will be on our side of the campground. Make your reservations early as they fill up fast. This is a great location that truly loves having us there as much as we love being there.

While this is an IH event, it is open to all vehicles. Everyone is welcome! We only request that you enjoy having fun, 4-wheeling, great scenery, & amazing food. The weekend starts with guided trail runs (scenic to hard) into the back country of the Calico Mountains. Not all choose a trail run, some prefer a more stationary day & ready their IH vehicles (truck or tractors) for the Show-n-Shine. After a safe return from the trails, the true festivities begin with a fantastic BBQ dinner, Show-n-Shine judging, & everyone's favorite event – the raffle. It's an opportunity to win some great prizes & there's even a special one, just for the kids.

With our raffles, we have supported some great causes over the years, from the California Association of 4 Wheel Drive Clubs (CA4WDC) to the Donate Life America and most recently Royal Kids Camp. This year, we have chosen a truly worthy cause, **California Four Wheel Drive - We're the California Four Wheel Drive Association, Inc. Since 1959, our non-profit organization has actively promoted the advancement of vehicle-oriented outdoor recreation. We are the largest organization of this type in California and represent owners of all makes and models of 4WD vehicles, as well as non-owners who support responsible vehicle-oriented recreation.**
